## Everybody Hurts Chords by R.E.M.

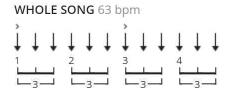

Difficulty: beginner Tuning: E A D G B E

Key: Em

## **CHORDS**

## **STRUMMING**

The whole song goes like this. Play the root of the chord first then the 3rd 2nd and 1st strings follow and then back up.

## [Verse 1]

D G D G D G D When the day is long and the night, the night is yours alone G D G When you're sure you've had enough of this life, well hang on

e | ----- | B | ----- | G | ----0---- | D | ---0---- | A | ----- |

E|-3----|

[Chorus]

```
[Verse 2]
Sometimes everything is wrong,
                                now it's time to sing along
When your day is night alone
                                      (hold on, hold on)
If you feel like letting go
                                      (hold on)
                                          D
                                                           G
When you think you've had too much of this life,
                                                well hang on

[Chorus]
Em
               A Em
                                                          Em
    Everybody hurts,
                         take comfort in your friends
Everybody hurts,
[Bridge]
F#
                   Bm
                             F#
                                  Bm
                                         F#
                                                             Bm
  Don't throw your hand,
                             oh
                                  no,
                                             don't throw your hand
                                   G
                                                                      Am
    when you feel like you're alone,
                                         no, no, no, you are not alone
[Verse 3]
                                                                      G
   If you're on your own
                           in this life,
                                          the days and nights are long
D
   When you think you've had too much, of this life, to hang on
